

IF YOU WERE AFFECTED BY

HURRICANE HARVEY

DISASTER CASE MANAGERS ARE AVAILABLE TO HELP!

Disaster Case Managers are available at shelters and Disaster Recovery Centers throughout the state of Texas to assist survivors of Hurricane Harvey.

Disaster Case Managers can assist you with a variety of resources and services including:

- Information on resources available in your area
- Assistance with FEMA registration and/or appeals
- Identifying available financial assistance
- Information on relocation services
- Advocacy on your behalf with service and benefit providers
- Creating a personal recovery plan
- Other hurricane-related unmet needs

If you would like more information regarding Disaster Case Management services, please contact a case manager at:
